

Downloading WebEx Player

In order to play back recordings of WebEx online meetings, you will need to download the WebEx Player.

- Go to: <http://www.webex.com/downloadplayer.html>
- Select download for Windows or Mac

If you have any questions concerning the WebEx Player, or have difficulties while installing it onto your computer, please contact WebEx Customer Support Services at **866-229-3239**.
